

View Your Test Results in MyChart

You can now view your test results securely online with MyChart. Log into your MyChart account to access your test results in three quick steps.

To view your test results

- 1 Sign into your MyChart account
- 2 Click **Test results** icon
- 3 Click on the test result you wish to review

Not all results are released in your MyChart account. If you have any questions or concerns about your test results, please contact your provider.
