Special Health Care Needs**

At Saint Mary's Hospital

**We Offer**

Support for families  
of children and youth  
with special health care needs

**Toll Free**

**1-866-517-4388**

**The NW Regional Medical Home Initiative has dedicated  
Care Coordinators to help families.**

Our Care Coordinators are registered nurses who have worked in pediatrics for over 20 years.

**Our Care Coordinator can:**

- Help families assess needs and advocate for them.
- Provide linkages to specialists and community resources.
- Assist with school-based services and provide feedback.
- Create a care plan that works for your child and family needs.
