

Protect Yourself From COVID-19, Get Vaccinated Today!

Have You Gotten Your COVID-19 Vaccination?

- Getting a vaccine protects you from the likelihood of getting COVID and if you do get sick prevents you from getting very ill or being hospitalized.
 - If you are still unsure, during your visit today your doctor can address your concerns and answer any questions you have.

Vaccines Are Now Available!

You can find available vaccine locations using the QR Codes below:

You can find available locations at the Massachusetts State Website:
[COVID-19 Vaccine Availability | Mass.gov](https://www.mass.gov/info-details/covid-19-vaccine-availability)

You can also text your ZIP Code to GETVAX (43-8829) and you will be texted back three locations near you with vaccines in stock. Or if you prefer the information in Spanish, text your ZIP Code to VACUNA (82-2862).

Additional information, like vaccines on local bus routes can be found here:
[COVID-19 Vaccine: Public Health Institute of Western MA \(publichealthwm.org\)](https://publichealthwm.org)

? Have additional questions about the COVID-19 vaccine? Scan here for more information:

? Many local stores, such as CVS are offering rewards and prizes for getting vaccinated. Scan the QR code to learn more.
